

At a Glance – Key Points

We collect only essential data (name, contact, and location) to connect you with other passengers for shared rides.

Your precise location is used only to match and manage rides.

We never sell your data. You can delete your account and all data anytime through Settings > Privacy.

Privacy Policy for Hoplift

Effective Date: 11th October 2025

Introduction

Welcome to Hoplift. This Privacy Policy explains how Hoplift LLC, a company incorporated under the laws of USA, with its registered office at 30 N Gould St Ste N Sheridan, WY 82801, USA, ('we', 'us', or 'our'), collects, uses, and protects your personal data when you use the Hoplift mobile application, website, and related services (collectively, the 'Service'). For the purposes of the UK General Data Protection Regulation (UK GDPR), the EU General Data Protection Regulation (GDPR), and other relevant data protection laws, we are the data controller.

This policy is designed to be transparent and easy to understand. We encourage you to read it carefully to make informed decisions about your personal information.

1. The Information We Collect

To provide and improve our Service, we collect information in several ways. We are committed to the principle of data minimisation and collect only the data that is necessary for the purposes outlined in this policy.

1.1. Information You Provide Directly to Us

- **Account Information:** When you create an account, we collect essential information to identify you and provide the Service. This includes your full name, email address, phone number, and a secure password. We also ask for your date of birth to verify that you are eligible to use our Service.
- **User Profile Information (Optional):** You may choose to enhance your profile by adding a profile picture and a short biography. Providing this information is optional but can help build trust within the community.
- **Communications with Us:** When you contact our customer support team, provide feedback, or respond to surveys, we collect the information you include in your communications, including records of our correspondence.

- **Identity Verification:** We do not require government-issued identification for standard use of the Service.

1.2. Information We Collect Automatically When You Use Our Service

- **Location Information:** Our Service is fundamentally based on location. We collect precise location data from your mobile device via GPS and other signals when the app is open and visible on your screen ("in the foreground"). This is necessary to determine your pickup location and identify potential ride-sharing matches. We also collect your trip history, including origins, destinations, and routes taken.
- **Usage Information:** We collect data about how you interact with our Service. This includes the features you use, your searches for routes, the date and time of your access, app crashes, and other system activity. This helps us understand how our Service is used, diagnose problems, and improve the user experience.
- **Device Information:** We collect information about the mobile device you use to access our Service, including the hardware model, operating system and version, IP address, unique device identifiers, and mobile network information.
- We also use analytics and performance tools such as [e.g., Google Firebase Analytics or Mixpanel] to understand usage patterns and improve reliability.

1.3. Information We Collect from Third Parties

- **Social Media Login:** If you choose to register or log in to our Service using a third-party social media account (such as Google or Apple), we will receive certain profile information from that service, as permitted by you and the policies of that service.
- If you log in through a social account (e.g., Google Sign-In or Apple ID), we receive only your name, email address, and profile picture as authorized by that provider.

2. How and Why We Use Your Information (Purposes and Legal Bases)

We are required by law to have a valid legal basis for each of our data processing activities. The table below explains the purposes for which we use your information and the corresponding lawful bases under the UK GDPR and EU GDPR.

Processing Activity	Purpose	Lawful Basis (under GDPR)
Collecting your name, email, phone number, and password.	To create, secure, and manage your user account	Performance of a Contract
Collecting your precise location and intended destination	To provide the core Service of identifying potential ride-sharing matches and facilitating shared rides.	Performance of a Contract
Sharing your first name, profile picture, and user rating with potential co-riders after you express interest in a match.	To build trust and safety between users and allow them to make an informed decision before confirming a shared ride.	Legitimate Interest (balancing our interest in platform safety with your privacy rights). You have the right to object to this.
Sharing your confirmed pickup location with your matched co-rider.	To facilitate the execution of the shared ride.	Performance of a Contract
Using your email address to send you transactional communications (e.g., booking confirmations).	To provide essential information related to your use of the Service.	Performance of a Contract
Analyzing aggregated and anonymized trip and usage data.	To improve and optimize our Service, understand user trends, and for business intelligence.	Legitimate Interest
Using your email address to send you promotional emails about new features, offers, or news.	To market our services to you and keep you informed about our platform.	Consent (obtained via a clear opt-in mechanism at registration or in your account settings). You can withdraw your consent at any time.
Responding to your customer support inquiries.	To provide assistance and resolve issues.	Performance of a Contract and Legitimate Interest

3. How We Share and Disclose Your Information

We do not sell your personal information. We only share it in the ways described below to provide our Service and as required by law.

3.1. Sharing Between Users

The nature of our ride-sharing Service requires the controlled sharing of information between users to facilitate a safe and successful match. This sharing occurs in stages to protect your privacy:

- **During the Matching Phase:** When you search for a ride, we may show other potential co-riders your general intended route (e.g., "Neighborhood A to Downtown B"), your first name, your profile picture, and your user rating.
- **After a Match is Confirmed:** Once you and a co-rider have both confirmed a match, we will share the information necessary to coordinate the ride, which may include your precise pickup location and chat access.

3.2. Sharing with Service Providers

We work with third-party service providers who perform services on our behalf. They are contractually obligated to protect your data and are prohibited from using it for any other purpose. These include:

- Cloud Hosting Providers
- Mapping and Geolocation Services: Google Maps Platform
- Customer Support Software Providers
- Analytics Providers

3.3. Sharing for Advertising and Marketing Purposes

- **Option A (No Third-Party Ad Sharing):** We do not share your personal information with third parties for their own advertising or marketing purposes. Any marketing communications you receive will be directly from Hoplift, and you can opt out at any time.
- **Option B (With Third-Party Ad Sharing):** We may share limited pseudonymized identifiers (such as advertising ID or hashed email) with our partners Google Ads, Meta (Facebook), and TikTok to measure ad performance. Such sharing occurs only after you provide explicit consent via our in-app Privacy Settings, managed through a Consent Management Platform compliant with IAB Europe TCF v2.2.

3.4. For Legal Reasons and to Protect Our Platform

We may disclose your information if we believe it is required by applicable law, regulation, legal process, or governmental request. We may also share information if we believe it is

necessary to protect the rights, property, or safety of Hoplift, our users, or the public, or to detect, prevent, or otherwise address fraud, security, or technical issues.

4. Data Retention and Deletion

We adhere to the principle of storage limitation. We retain your personal data only for as long as is necessary to fulfill the purposes for which it was collected.

- **Trip History:** Trip history and route data are retained for 3 years from the date of completion of the trip for safety, dispute resolution, and insurance purposes.
- **Account Deletion:** When you delete your account, all remaining personal data are permanently deleted or anonymized within 90 days unless retention is required by law.

5. Security of Your Information

We are committed to protecting your personal information. We implement appropriate technical and organizational security measures designed to protect your data from unauthorized access, use, alteration, and disclosure. These measures include encryption of data in transit (TLS 1.2 or higher) and at rest, strict access controls, multi-factor authentication for administrative accounts, regular security audits and penetration tests, and continuous system monitoring to detect unauthorized access.

However, please be aware that no method of transmission over the internet or method of electronic storage is 100% secure.

6. Your Rights and Choices

Under UK and EU data protection laws, you have specific rights regarding your personal information. We are committed to helping you exercise these rights easily.

- **Right to Access:** You can request a copy of the personal information we hold about you.
- **Right to Rectification:** You can request that we correct any inaccurate or incomplete information.
- **Right to Erasure ('Right to be Forgotten'):** You can request that we delete your personal information.
- **Right to Restrict Processing:** You can ask us to limit the use of your personal information under certain circumstances.
- **Right to Data Portability:** You can request a copy of your data in a machine-readable format to transfer to another service.
- **Right to Object:** You have the right to object to our processing of your personal information where we are relying on a legitimate interest as our legal basis.
- **Right to Withdraw Consent:** Where we process your data based on your consent (e.g., for marketing), you can withdraw that consent at any time.

● **Right to Lodge a Complaint:** You have the right to lodge a complaint with a supervisory authority. If you are in the United Kingdom, the relevant supervisory authority is the Information Commissioner's Office (ICO), who can be contacted at www.ico.org.uk.

You can exercise most of these rights directly through the 'Privacy Settings' section within the Hoplift app. For any requests you cannot fulfill through the app, or for any questions, please contact us at social@hopliftapp.com.

7. International Data Transfers

Your information may be transferred to, stored, and processed in countries other than the country in which you reside, including Ireland and the United States, where our servers and certain service providers are located.

For transfers of data between the United Kingdom (UK) and the European Economic Area (EEA), these are currently permitted under adequacy decisions which recognize that both jurisdictions provide an equivalent level of protection for personal data. When we transfer personal data outside the EEA, the UK, or Switzerland, we rely on the European Commission's Standard Contractual Clauses (2021/914/EU) or the EU-US Data Privacy Framework to ensure an adequate level of protection.

8. Children's Privacy

Our Service is not directed to individuals under the age of 18 years. We do not knowingly collect personal data from anyone under 18. If we learn that we have collected data from a minor without verified parental consent, we will delete such data immediately.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. If we make material changes, we will notify you by posting the new policy in the app and [e.g., sending an email to the address associated with your account or providing an in-app notification].

10. How to Contact Us

If you have any questions, comments, or concerns about this Privacy Policy or our data practices, please contact us:
